Name: Saïd MOULINE

Title: Director of the Moroccan Agency for Energy Efficiency (AMEE)

Bio:

Saïd Mouline is an engineer specialized in environment protection who graduated from the National Institute Polytechnique in Grenoble and the University of Pennsylvania in Philadelphia. Former Advisor to the OCP Chairman and the Minister of Energy and Mines in 1989 on topics related to sustainable development, he joined the Centre for the Development of Renewable Energy (CDER) in 1992 as Scientific and Technical Director. Saïd Mouline also held several senior positions in the energy and environment fields within the Finance.com group, and was in charge of the Qualitair program at the Mohammed VI Foundation for the Protection of the Environment. He was appointed General Director of CDER by His Majesty the King Mohammed VI in 2009 and acts since 2010 as General Director of the ADEREE.

Saïd Mouline was elected President of the Mediterranean Association of National Energy Management Agencies (MEDENER) in 2010.

He was Chairman of the Energy, Climate and Green Economy Commission at CGEM and on the Cop 22 organizing committee, he was responsible for the Public / Private Partnership.

Name: Nelson LAGE

**Title: BoD President of Portuguese Energy Agency
(ADENE)**

Bio:

Nelson Lage has a degree in Political Science - International Relations and an Executive Master in Management and Leadership Development (Católica Lisbon School of Business & Economics). He has more than 15 years of experience in the public sector in the areas of energy, innovation and international relations. He served as an adviser in several Portuguese governments and, more recently, he was Adviser to the Secretary of State for Energy (2018-2019) and Adviser as well as Deputy Chief of Cabinet to the Deputy Minister and Secretary of State for Energy (2019-july 2020).

In 2011, he joined ADENE - Agência Portuguesa da Energia and is currently President of ADENE, President of OLMC – Logistics Operator of Change of Supplier, member of the Board of Directors of the MEDENER network – Mediterranean Energy Agencies Network and chairs the EnR - European Energy Agencies Network. He is also a member of the Advisory Board of ERSE – Entidade Reguladora dos Serviços Energéticos and member of the strategic and consultant board for various initiatives and events. On a voluntary and pro bono basis he is Executive Director of the Intercultural Dialogue Network - Reach Alliance Global Network, member of the board of the Foundation Alliance of Civilization and member of East West Bridge International Foundation.

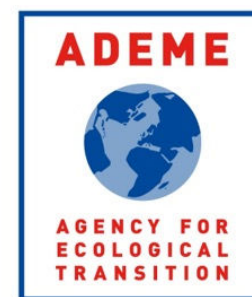

Name: Philippe MASSET

**Title: Director Europe and International,
ADEME - French Agency for Ecological Transition**

Bio:

Philippe Masset, who obtained his engineer degree in 1985, has managed energy efficiency for communities of the region Nord-Pas de Calais until 1992. Mid 1992, he was seconded to European Commission in Brussels – DG Energy till 1998 to implement accompanying energy technologies measures towards SMEs and regions.

In 1998, he became head of unit for European and international projects and networks at the Energy Agency of Nord-Pas de Calais Regional Council. In 2001, he was recruited by ADEME, and he became in 2020 Director for European and international affairs.
