Regional Center for Renewable Energy and Energy Efficiency
المركز الإقليمي للطاقة المتجددة وكفاءة الطاقة

MedSEI Forums

- National roundtables bringing together banks, financial partners, public authorities and all stakeholders involved in delivering investments in sustainable energy
- facilitating dialogue between banks, financial partners, institutions, and public and private operators.
- improving the availability, conditions, and procedures for accessing and promoting the visibility of existing funds.

Financing EE in Buildings and Appliances Business Models

- Identification of 10 Potential Projects for Business Model
- Creating innovative mechanisms for funding projects in the buildings and appliances.
- Building a core of expertise and knowledge specifically related to financing EE programs, with a focus on banks and financial institutions.
